The Chaser Annual 2009

\$30.00 (including 10 % tax)

Despite the demands of successful ventures in stage, screen and their own richly rewarding fantasy lives, the Chaser team have found time to put together a new *Annual*. As always, it will cause controversy. Critics will certainly wonder how grown men can continue to churn out offensive undergraduate claptrap at their age. But, as millions have discovered over the years, no one can really understand current events, politics, popular culture or indeed anything else without a Chaser Annual at hand to help them appreciate its inherent stupidity.

The Chaser Annual is not just a good laugh and an essential aid to informed discourse. It's a fantastic way to pass the time during a difficult bowel movement, and makes a perfect gift for someone you don't know.
